

## About Me

My name is Michael Potocki, I am a proud father of two daughters and the owner, operator of New Perspective landscaping and family owned and operated business dedicated to transforming outdoor spaces into beautiful, functional environments. With over 15 years of experience in the landscaping industry, I have built a reputation for exceptional craftsmanship, attention to detail, and a deep commitment to customer satisfaction.

## Experience and Expertise

I specialize in a wide range of landscaping services, including landscape garden design, paver patios, walkways, retaining and garden walls, seasonal clean-ups, plowing, holiday lighting and ongoing maintenance. My hands-on approach ensures that every project, large or small, receives the meticulous care it deserves. I work closely with clients to bring their vision to life, combining creativity and practical solutions for stunning results.

## Philosophy and Values

I believe that a well-designed landscape not only enhances the beauty and value of a property but also provides a space for relaxation and enjoyment. My mission is to deliver high-quality service with honesty and reliability.

## Community Commitment

As a local business owner, I am passionate about supporting our community and helping neighbors create inviting outdoor spaces. I continually seek opportunities to learn and grow, staying up to date with the latest landscaping trends and techniques to better serve my clients, while never sacrificing the quality of our work.

## Let's Work Together

Whether you are looking to refresh your garden, install new features, or maintain your property year-round, I am here to help. Contact us today to discuss your landscaping needs and discover how we can make your outdoor dreams a reality.
